

Rabies Clinic For Area Dogs Is Available

Rabies shots will be available for dogs over four months old if owners in Torrance and the South Bay area wish to take advantage of a clinic to be held June 14. These rabies vaccination centers will be in El Retiro Park, 126 Vista del Parque; and at Perry Park, 2301 Grant Ave. and hours will be from 7 to 9 p.m., it was announced Friday by a spokesman for the clinic.

A second clinic will be held at McManis Park, 3824 W. 174th; and at Redondo City Park, 319 Esplanade Ave., June 16 during the same hours.

All dogs over four months old must have had rabies shots before they can be licensed. The fees charged at the clinic are \$1.50 per dog, a 50-percent reduction under regular charges, and all dogs must be on a leash, it was pointed out. All dogs must be licensed by July 1.

Volunteer registration help is needed and those wishing to assist local veterinarians, who are donating their time, are asked to phone FR 2-8174.

Another gift was presented to the rabbi by Mrs. Gene Kaufman, president of Temple Menorah Sisterhood.

The Oneg Shabbat which followed also honored the fifth wedding anniversary of Rabbi and Mrs. Front. Refreshments were served at a table lavishly decorated with red bougainvillea and white gladiolus. Mrs. George Lewison was in charge of the affair.

Mrs. Lewison was assisted in serving by Mrs. Mel Schumacher, Mrs. Matthew Ellenhorn, Mrs. Gene Alfred, and Mrs. Fred Spangler.
